EDUCATION

KEYIN COLLEGE
2023-2024

SOFTWARE DEVELOPMENT

- Currently enrolled in a fully scholarship-funded Software Development Diploma program.

ACADEMY CANADA
2005-2007

MULTIMEDIA GRAPHIC DESIGN

- Completed a dynamic two-year program in Multimedia Graphic Design, mastering industry-standard design tools and gaining proficiency in creating visually impactful content.

EXPERIENCE

WICKED KITCHEN
2020 - 2023

OWNER | OPERATOR

Founded and operated Wicked Kitchen, a successful venture in the niche market of vegan cuisine. Developed a comprehensive business plan, orchestrated the launch of an e-commerce platform, and maintained sales across six local retail stores and online channels. Oversaw all aspects of the business, including brand identity, social media management, accounting, marketing, and production. Demonstrated a hands-on approach to entrepreneurship by effectively managing every facet of Wicked Kitchen's operations, ensuring its growth and prominence in the vegan food market.

JANEILCHANTELLE

2007 - PRESENT

FREELANCE DESIGNER

Versatile freelance designer with a keen eye for aesthetics and a passion for creating impactful visual experiences. Proficient in graphic and web design, I bring creativity and adaptability to every project, ensuring tailored solutions that captivate and communicate effectively.

IMPACT SIGNS & GRAOHICS LTD

2016 - 2019

GRAPHIC DESIGNER

Experienced graphic designer at Impact Signs and Graphics, known for creating captivating print designs, corporate signage and vehicle wraps. I've collaborated with notable clients such as the Government of NL, the Royal Newfoundland Constabulary, and the George Street Association. Proficient in Adobe Creative Suite and Corel Draw, my work reflects a wealth of experience in delivering creative solutions tailored to a diverse clientele.

BUY & SELL MAGAZINE

2014 - 2016

GRAPHIC DESIGNER

"As the Senior Graphic Designer at the Buy and Sell Magazine, I led the design of compelling advertisements for businesses and played a key role in the layout and launch of the magazine. Additionally, I provided design solutions for businesses, creating collateral such as business cards, brochures, and pamphlets. This role showcased my leadership, creativity, and versatility in delivering impactful visual content across various mediums."
